Official Memo

~~As doubts have been expressed by Presidents of certain municipalities as to~~ the Budget forms now in use, it is observed that the Budget forms now in use are those prescribed in Proceedings No. 6702-4 / Cir 234 dated 19th January 1887, and that they should be prepared and submitted in accordance with the instructions laid down in O.M 6861-70 / 157 dated 8th Decr 1889.

In submitting the Budget Estimates of the Municipalities for the year 1899-1900, the Presidents of certain Municipalities express doubts as to the forms in which the Estimates have to be prepared. The Govt. observe that the

2 Several of the Budgets for 1899-1900 submitted to Govt did not contain details of works to be carried out during the year. On inquiry was explained the omission by stating that, as minor works had to be undertaken as occasions arose, it was not possible to determine at the outset which roads or drains would

items under XIII Pub. (b) & (c) works,

or which drains ~~which have~~ newly
Constructed. With reference
to this remark, it is observed
that a forecast of all
roads, which in the opinion
of the President or Vice-
President require to be con-
structed or repaired, or
which have to be provided
with drains, should be made,
and probable amounts re-
quired for each ~~should~~
be entered in the Budget
statement No II, the total
of each minor head being
entered in statement No I.
If, after passing of the
Budget, any change in
the forecast of works be
found necessary during the
year to which the Budget
relates, the President may
make such transfers as may
be deemed necessary from

One

One minor head to another under the same major head without reference to Govt. The Presidents should in future invariably furnish lists of works to be executed in each year, for which provisions are made in Budget statement No I

Sanctioned in 29/2 V Accts 28.9.99 for above approval

RD 4 Rec 8 10 99 6/10/99

Draft Budget estimates have been prepared by the Municipal Councils. Under the draft called "A" memo: What is the significance of it. Should there be a proper approval after the draft is prepared which may be submitted with a clear statement showing the necessary funds

10.10.99

(1) A printed copy of the estimate Basic Budget order is enclosed as per rule 25

(2) The Municipal Budgets of the several towns in the Mysore District proper for 1899-1900 submitted with Presidents' cm 1040 of 29/5/99 were not drawn up in proper form nor were details of Public works to be executed furnished, and they were therefore returned for revision and resubmission with complete details (Vide cm 14706/77-98 of 29-6-99).

In returning the Budgets, the President stated that in reply to his requisition, the Supt of Stationery had informed him that Budget forms other than those forwarded by him were not available in the Press and requested the Govt to send him such forms if any. In regard to the details of ~~road~~ road repairs & other Public works also called for, he added that as minor works had to be undertaken as occasion arose it was not possible for him to determine which roads or

^ as required in para 7 of B. cm cm 6861-70/15-7 of 8-12-89

Mems continued

drams would be prepared or which drams would be newly constructed. In the office draft of the Budget order a para was added to the effect that the Budget forms used by the President were those prescribed by Govt; and that a forecast of all roads to be constructed or reframed & should be made and amount required therefor inserted in the Budget Statement etc II, any changes in the forecast subsequently found necessary being made by the President ~~with~~ under the standing order. But the Secy directed + that the para should be kept for a separate orde

+ in the margin of para 11 of office draft of P/PO etc 4297-309 L-977-98 of 20/9/99 (cl ex 11)

Accordingly the present
circular was prepared,
and submitted.

This was called
Official memorandum as
previous similar order etc
6061-70/157 of 8/12/09 herewith
submitted was also issued as
O. M.

Submitted JNG 30/10/99

As the matter in ques-
-tion were common
to all Municipal Boards,
& directed that they
should form the sub-
-ject of a circular
(circular) under Secy
Min's sign.

There seems no
need for calling it
an "Off. Memo" - as
has been remarked
